ickStream

ickStream

The screenshot shows the Logitech Media Server web interface. At the top, there are navigation tabs: Basic Settings, Player, My Music, mysqueezebox.com, Interface, Plugins, Advanced, and Information. The 'Advanced' tab is selected, and a sub-menu shows 'ickStream' is active. Below the navigation, a message states 'Changes have been saved.' The settings are as follows:

- Sort albums for artist: **i** by title
- Background daemon port: **i** 9006
- SSL peer verification: **i** Enabled
- Proxied streaming for hires services: **i** Enabled
- ickStream Music Platform Service: **i** [Login to ickStream Music Platform](#) Refresh

Below the service settings, there is a note: 'If you have just logged in successfully, click "Refresh" button to'. At the bottom, there are links for Terms of use (Logitech Media Server, SqueezeLite) and Privacy Policy.

This screenshot shows the same Logitech Media Server interface after a successful login. The 'Advanced' tab and 'ickStream' sub-menu remain. The settings are:

- Sort albums for artist: **i** by title
- Background daemon port: **i** 9006
- SSL peer verification: **i** Enabled
- Proxied streaming for hires services: **i** Enabled
- ickStream Music Platform Service: **i** Logged in as: sotm.dev@gmail.com Refresh Logout

Below the service settings, there is a link: 'Add or remove services from your ickStream Music Platform account'. Further down, there are sections for:

- Remotely controllable players: **i** SMS-200-USB Refresh
- Registered players: **i** None of the connected Squeezebox players are registered on ic Refresh Re-register all players

At the bottom, there are links for Terms of use (Logitech Media Server, SqueezeLite) and Privacy Policy.
